

Careers Strategy

William Hulme's Grammar School
The best in everyone™
Part of United Learning

Rationale

Careers education and guidance along with work experience programmes make a major contribution to preparing young people for the opportunities, responsibilities and experiences of life. The school provides impartial information, advice and guidance on careers education and work experience through Our Futures to support students effectively plan future career pathways. This involves bespoke support around higher education; apprenticeships and employment. **The aim is to ensure all pupils secure the right courses at right levels to sustain post-16 and post-18 destinations.**

Some Key Facts about Leadership and Management:

- The school places a premium on the design and delivery of high quality CEIAG and work experience for all students: the Vice Principal, Mr Khalique, has responsibility for the strategic direction of this work at KS3 and KS4. The Associate Vice Principal and Head of Sixth Form, Mr Howarth, is responsible for this work at KS5.
- Head of Careers, Mr Kathrada, has leadership and management of CEIAG, and is supported by Ms Bhaimohmed on raising participation and report directly to the Vice Principal, Mr Khalique.
- Director of Higher Education, Miss Smith is responsible for the school's Higher Education Programme and oversees the UCAS application procedure reporting directly to the Head of Sixth Form. The Early Applicant Co-ordinator, Ms Walsh, supports students with the application process.
- Independent Careers Advisors (Level 7 qualified) provide impartial information, advice and guidance commissioned through Our Futures for students and support the work experience programmes and planning post-16 options. The school work closely with external agencies such as Manchester College and the University of Manchester on delivering WOW events.
- All staff are expected to contribute to CEIAG through their roles as form tutors and subject teachers.
