

## High Fliers' Programme

*Engage*

*Endeavour*

*Excel*

The High Fliers' Programme is designed to support those students that are considering applying to Oxbridge or Russell Group universities, as well as those applying to courses such as medicine, dentistry and veterinary medicine.

The High Fliers' Programme at WHGS will offer you the following:

- Individual support from the Sixth Form Early Applicants Co-ordinator, including help with personal statement writing
- Interview practice
- A programme of talks from visiting speakers such as doctors, Oxbridge students and Admissions Tutors
- Consideration for participation in the Manchester division of University of Cambridge's HE+ Programme
- Attendance at the annual Year 12 Oxbridge Student Conference at Aintree Racecourse
- Visits to the Universities of Oxford and Cambridge open days
- Supported application to the Manchester Access Programme
- Supported applications to a range of super-curricular opportunities such as Sutton Trust, UNIQ Summer School, Nuffield Research Programme, and many more
- Support in finding high-quality work experience placements and volunteering opportunities (such as peer mentoring)
- A range of subject-based enrichment opportunities
