William Hulme's Grammar School  
The best in everyone™  
Part of United Learning

## Laptop Scheme

Engage

Endeavour

Excel

In order to offer you the best learning opportunities and the best chance of academic success, we provide all our Sixth Form students with a brand new laptop. This means that you will always have access to the research materials and the software you need to make a success of your A-Level studies. You will also benefit from the free Wi-Fi that the Sixth Form provides for all its students.

The laptop retails in excess of £250, but students are asked to contribute just £50 towards its cost! When you leave the Sixth Form it's yours to keep for your studies at university or for whatever else you decide to do.

**This is what some of our current students think about the laptops:**

*"I've found the laptop to be really useful. I never have to wait for a computer."*

*"The laptop is a really convenient size and it's easy to carry in my bag."*

*"I do everything on my laptop. At the moment I'm doing all the research I need to get my coursework done and to write it up."*
