

Year 10

Overview	In Year 10 students begin their GCSE course and follow the AQA syllabus. They build upon vocabulary, language skills and grammatical structures they have learnt in KS3 and further develop their skills in listening, speaking, reading and writing. The course is divided into 8 modules covering the 3 prescribed AQA themes. At the end of the year, they will sit a Foundation or Higher GCSE past paper to assess their progress over the course and offer them the experience of the full GCSE vocabulary specification across all the skills.
-----------------	---
