At the beginning of term the Prefects were: D. K. Partington (Head Prefect), M. Broady, G. Wilkinson, G. S. Todd, D. Watkins, G. A. Anderson, B. Mead, F. A. Stone, J. R. Hooley, D. W. Bowett, G. Jones.

In October, when D. K. Partington and M. Broady joined H.M. Forces, and G. S. Todd went into the mines, G. Wilkinson was appointed Head Prefect, and E. P. Cosslett, H. Morgan and L. T. P. Wood became Prefects.

G. A. Anderson is captain of Football, with E. P. Cosslett as vice-captain.

D. Watkins is captain of Lacrosse, with N. Fletcher as vice-captain.

A. Ogilvy has been awarded a State Scholarship, and F. D. Bell, B. C. Roberts, and F. A. Spooncer have gained State Bursaries.

R. P. Handford, G. T. Shirlin, G. S. Todd, P. Grantham have been awarded Manchester City Scholarships.

We thank Mrs. I. M. Hawley for the prize she has given in memory of her son, Sergeant Rupert Hawley, Intelligence Corps, M.E.F., who was killed in action in July, 1943.

We congratulate C. M. Ford (O.H.) who, after commanding the "Mauretania" and the "Aquitania," is now commanding the "Queen Elizabeth."

J. Mitchell (i) has obtained his B.Sc. (London) in Chemistry.

L. F. Benson has obtained the Diploma in Dentistry at Manchester University.

The Christmas Entertainment this year is the Gilbert and Sullivan Opera "Ruddigore."

The War Savings collection for the term amounts to £740, of which the Preparatory School has collected £300. The grand total is now £13,553.

Old Hulmeians are asked to note that on Founder's Day, Friday, January 26th, a service will be held in the Cathedral at 11-45 a.m.

1st XV. Colours for Football have been awarded to the following:—D. Bickerton, J. R. Hooley, J. N. Brookes, N. I. Cross, K. Z. Ord, J. T. Norris, D. R. Gibson, B. A. Maguire, G. J. Derbyshire.

2nd XV. Colours for Football have been awarded to the following:—F. A. Stone, J. F. Kay, H. Morgan, A. Wilkinson, P. Sanig, D. W. Bowett, R. W. Crouchley, K. H. Storry, C. G. Gregory, H. W. Hall, J. N. McManus, J. P. Chilton, S. G. Betteridge, P. D. E. McClinton, J. S. Robertson, P. Harrison.

The Governors of the School have made the following awards to boys in the School:—

Elementary School Scholarship, tenable for three years: A. Cashmore.

Foundation Scholarships, tenable for one year: B. Mead, N. Fletcher, H. Morgan, J. N. Brookes, G. A. Anderson, D. Watkins, D. H. Tune, F. A. Stone; tenable for two years to: M. C. Cousins, G. K. Armitstead, J. F. Patrick, B. S. Berry, R. P. Cartledge, H. W. Hall, B. E. Peers, P. Salt, A. G. Saunders, K. J. Taylor, B. M. Wood, J. W. Appleby, J. R. Cadwell, A. W. Clegg, N. I. Cross, C. G. Gregory, R. A. Herz, D. A. Robertson, I. A. Carter, A. E. Clough.

Calendar for Lent Term:—

The Term will begin on Thursday, January 11th, at nine o'clock.

Mid-term Holiday will be on February 23rd, 24th and 26th.

The Term will end on Tuesday, March 27th, at four o'clock. The Easter Holiday will extend from Tuesday, March 27th, at four o'clock, to Tuesday, April 10th, at nine o'clock.

The Examination for Scholarships for Elementary School boys, Foundation Scholarships, Special Places, etc., will be held on April 6th and 7th, beginning at 9 a.m. each day. The Entrance Examination for the Michaelmas Term will be held at the same time.

Roll of Honour.

ERNEST BARBER (1935), Glider Pilot, killed in action.

ALAN CHAPMAN (1940), 2nd Lieut., killed in action.

FREDERICK CYRIL HARTE (1929), R.A., killed in action.

JOHN EDWARD RAINES (1940), Lieut., H.L.I., killed in action.

ALAN RICHARDSON REDFEARN (1933), Sergeant Flight Engineer, R.A.F., killed in action.

RICHARD JOHN SALTHOUSE (1942), R.I.A.S.C., died in India.

Mr. W. A. Brierley.

At the end of this term we have to say good-bye to Mr. W. A. Brierley, who has been in charge of the Art teaching in the School since September, 1919. He came to us after a distinguished career at the Edinburgh School of Art and five years of military service in the last war. Developing the excellent tradition established by Mr. E. K. Brice, Mr. Brierley

has raised the Art work of the School to a very high level.

But Mr. Brierley's work has never been limited to the Art room. During his army career he had a good deal of experience of Concert Party work with professional artists, and as soon as he came here he founded "The Hulmerists," whose performances will be remembered by Old Boys of that period. When the present Head Master came in 1920 dramatic work was undertaken on a larger scale, and Mr. Brierley was not only found greater scope for his talents as an actor, but was in constant demand for producing, making up, and designing scenery and costumes. Among so many scenes and performances it is difficult to pick out some for particular mention, but many people will remember Mr. Brierley as "Sir Joseph Porter" in "H.M.S. Pinafore," and the beautiful ship scene in that opera. Others will remember the amazing "transformation scenes" in "The Brass Bottle" and "Ambrose Applejohn's Adventure," while Mr. Brierley's performance as Ambrose—"Aces! All Aces!" was outstanding.

The Old Hulmeians Dramatic Society also owes Mr. Brierley a great debt of gratitude. Not only did he produce plays and design scenery for them, but he patiently guided them into doing this work for themselves.

In spite of the hours that this work demanded, Mr. Brierley has found time to make a considerable reputation as a painter, and has exhibited at Manchester and at the Scottish Academy in Edinburgh, where his distinctive style in landscape has attracted much attention.

Mr. Brierley is going to the Lawrence Sheriff School, Rugby, and we wish him every happiness and success there. We understand that the school has no stage, and feel that Mr. Brierley will soon remedy that omission.

Speech Day.

The Annual Speech Day ceremony was held in the School Hall on Monday, July 17th, at 5 p.m. Canon Woolnough, Chairman of the Governors, presided, and the prizes were presented by Lord Merriman, President of the Probate, Admiralty and Divorce Division of the High Court of Justice.

The Head Master, Mr. Trevor Dennis, gave his report on the School's work during the preceding year. He stated that as a result of the examinations held in July, 1943, fifty-one School Certificates had been gained, and twenty-three Higher School Certificates. Some 400 boys had attended games on half-holidays. The Junior Training Corps had a record membership, and a very favourable report had been received from the War Office after the annual inspection. During the year twenty-five boys had

gained their Certificate "A." The two annual harvest camps had been held at Grange and in Worcestershire in 1943, and were to be held again in 1944.

The Head Master mentioned the unprecedented number of new boys who were to be admitted after the midsummer holiday. Pressure on the lower forms and on the Preparatory School was very great, and a large number of applications had been received.

Over 500 Old Boys had been recorded as serving with H.M. Forces, and thirty-seven were known to have given their lives.

Lord Merriman, in his address, spoke of the value of justice. No nation, he said, could exist without a system of justice, carefully administered, and the mark of a good citizen was not in his brain power but in his sense of fairness.

The prize distribution followed, and the proceedings ended with a rendering of Handel's "Faithful Shepherd" suite by the School orchestra.

PRISONER OF WAR.

Burton, H. M. (1937) Sergt., Border Regt., captured at Arnheim, is a prisoner of war in Germany.

HONOURS.

We are proud to congratulate the following on the awards they have received:—

Bray, J. C. (1930), Capt. and Adjutant, Royal Tank Regt., has been mentioned in despatches.
 Griffiths, P. G. (1935), Capt., R.A.M.C., has been awarded the Military Cross.
 Lodge, J. H. (1921), has been awarded the Military Medal.
 Mosley, A. L. (1934), Lt., R.N., has been mentioned in despatches "for skill and determination in operations against 'U' boats."
 Paraglove, D. W. (1932), R.A., has been appointed Adjutant and has been mentioned in despatches.
 Sunderland, R. D. (1933), Major, 2/7th Queen's Royal Regt., has been awarded the Military Cross.

The Old Hulmeians Lacrosse.

At the beginning of the season only five of last year's playing members were available, and it seemed impossible to run a team. New members from School and the return of A. K. Westbrook brought our numbers up to fourteen, and with the occasional assistance of boys from School, we have been able to carry on.

The season opened on October 14th with the Six-a-Side Knock out Competition on the Heaton Mersey ground. After a hard game and extra time, we beat Manchester Grammar School 4-3 in the first round, but lost to Stockport Sunday School in the semi-final. Since then we have played five matches, of which we have won two and lost three.

N. R. Coe has captained the side, and his skill and experience have been invaluable to the attack. A. K. Westbrook, B. A. Grimshaw, and G. C. Martin have given him good support. J. P. V. Woodham and L. A. Angell have greatly strengthened the defence when they have been able to play.

So far few Old Boys on leave from the Forces have been able to turn out, but we were very glad to welcome B. C. K. Ballinger and C. H. Seddon, and hope to see other old members during the season.

Flookburgh Harvest Camp.

At the invitation of the Lancashire War Agricultural Committee the School provided a Harvest Camp in the Cark, Cartmel and Holker districts of North Lancashire. The camp opened on July 26th and closed down on September 6th, and we were again fortunate in being able to have the use of the Keighley Education Committee's excellent Camp School on Humphrey Head.

As this was our fifth harvest camp in this district very little canvassing for labour was necessary, and as the weather was the best we had had since 1940, it was not surprising that we worked a record number of hours. Our total of 7,400 hours was 500 more than our previous best.

Every kind of farm work was splendidly done by an excellent crowd of boys and, whether asked to "scrat" potatoes for three hours after a full day on forestry or drag a ton of coal up a cliff side to our camp school, all the work was cheerfully done.

The first corn was cut on August 4th, and from that date until the day before we left everybody was hard at work, and we had the satisfaction of coming away with the feeling that our efforts had been worth while. Every farmer we worked for thanked the boys for their labour, and all stated that their help had materially assisted the district in saving an excellent corn harvest.

We also provided the Holker estate with the usual squad of boys, and we hope that those foresters will have the satisfaction in later years of seeing some excellent spruce, ash, oak, larch and beech trees in the plantations where they worked. Lord Richard Cavendish, who took a great interest in the work and welfare of the boys, expressed his very best thanks to the Camp Commandant for the help the boys gave to a very depleted estate staff.

A lot of the work was heavy but was cheerfully tackled; driving tractors and working corn binders, dipping sheep, hedging and ditching were just a change from forking corn on to a "moo."

Again we have to thank an excellent Camp Staff most of whom stayed for the full period. Our quartermaster, Mr. Gatley, worked untiringly and seemed to thrive on very little sleep, as his was the first voice one heard very early in the morning, and

the last at night. The work done in the kitchen by Mrs. Barber, Miss Gill, Miss Bevan and her friend Mrs. Hope, Mr. Ginever, Mr. Williams and Mr. Wardle was excellent, and the health of the camp was a tribute to the culinary arts of the kitchen staff.

A special word of thanks is also due to the orderlies who, owing to the demand for outside labour, were mostly 50 per cent. below strength. They were R. W. Douglas (3 weeks), P. Quarmby (3 weeks), K. Rowe (3 weeks), J. W. Handford (3 weeks), and K. Robertson (3 weeks).

In conclusion, we have again to thank the Keighley Education Committee and its Director of Education for the privilege of using their Camp School and equipment.

Every boy has received, in addition to free board and lodging, rail and cycle fares, 12/- a week for his efforts.

The following boys worked six weeks: M. Broady, J. R. Cadwell, A. F. Crowther, I. M. B. Darroch, P. Harrison, P. W. Howard, A. Salmon, A. Sidebotham, B. A. Todd, G. S. Todd; five weeks: G. Wilkinson; four weeks: D. R. Gibson, K. H. Storry, J. C. Unsworth, J. R. Winson, and thirty-eight boys worked three weeks.

Worcester Harvest Camp.

For the fifth year in succession the Worcester Agricultural Committee asked us to provide a contingent of harvest workers, and, in response, some ninety boys attended the camp at Eastham, many of them for the full period, from August 1st to September 7th.

For the first part of the camp the weather was ideal, but, towards the end, we were not quite so fortunate, as rain interfered with things, making it difficult for us to achieve our aim of beating last year's record of hours worked. All were keen to accomplish this, and, by making the most of our opportunities, we succeeded in reaching the figure of 11,437 hours, almost a hundred over last year's total. While it is satisfactory to have made such a record, the actual number of hours is not everything. The quality of the labour is even more important, and it was pleasing to hear from all the farmers the spontaneous expressions of their great satisfaction with the work of the boys. Their whole attitude is, perhaps, best summed up in the letter of one farmer who wrote, "I specially wish to convey my thanks to the boys who helped us with our harvest. Believe me, it would have been badly damaged by the rain if we had not had the great help of your boys. Good show! Hope to see you next year." Another farmer, Mr. Froggatt, of Hill Wood, who employed many of our boys, sought to express his appreciation in yet another way, and, on the last night of our

stay, he and his family did the whole camp proud by killing (in this case) the fatted lamb and providing a feast for the whole camp. It must be a great satisfaction to those who attended the camp to know their work is so much valued. If further proof of the value of our work were needed it can be found in the much greater demand on our resources. Altogether we provided labour for twenty-one different farms, a number which could have been increased if we could have supplied the boys.

During the camp we had a visit from Mr. D. Scott, M.P., representing the Ministry of Agriculture, the Chairman of the Agricultural Committee, and two other officials. Mr. Scott, who had heard of our work, asked that the thanks of the Ministry of Agriculture should be conveyed to the boys for their great record.

The work was, as in the past, varied, but, whatever the job, it was tackled with cheerfulness and determination. A word of commendation is due to the leaders of working parties, experienced campers, who set a good example to those under their charge, and the good work of the orderlies, R. P. Handford, D. Watkins, L. T. P. Wood and G. J. Derbyshire should be noted.

We were all very sorry that Mr. and Mrs. Dennis, who have been with us at all our camps, could not attend this year. The camp organizer, Mr. Anderson, would like to express his sincere thanks to all those who helped so willingly and cheerfully with the work of running the camp: Miss Green, Miss Denton, Mrs. Ruddlesden, Miss Slater, Miss Harris, Mr. Jeeny and Mr. Lowther.

Thanks are due to those boys who stayed behind for a day to help with the winding up of the camp, more especially to R. P. Handford, who remained for three days and did invaluable work.

In concluding these notes it is interesting to put on record the names of the following boys who have attended all five camps: R. P. Handford, J. W. N. Glover, J. T. Norris, F. A. Spooner, W. G. Gibson, J. N. Brookes, D. Watkins.

J.T.C. Notes.

At the end of the summer term, too late to be recorded in the last Magazine, the following prizes were awarded:—

The Ratcliffe Cup for the best individual shot was won by Sergt. G. A. Anderson. The runner-up, Cpl. G. Lees, received a silver pencil, kindly presented by Mrs. Dennis.

The Kershaw Cup for the best Certificate A candidate of the year was awarded to L/Cpl. D. Watkins.

The Watkins House Shooting Shield was won by Whitworth House.

During the summer holidays a party of ten N.C.O.'s spent a very profitable week at Norton Barracks, Worcester, receiving instruction on various types of modern weapons, and also firing them. We began term with a total strength of 225 Cadets, which increased as the term progressed to 277. Within a few weeks of recommencing we had to say goodbye to C.S.M. M. Broady and C.Q.M.S. D. K. Partington, both of whom had served in the Corps with marked efficiency and enthusiasm.

The following promotions have been made dating from November 1st, 1944:—To be Company Sergt.-Major, Sergeant G. A. Anderson; to be Company Q.M. Sergeant, Sergeant J. R. Hooley; to be Sergeants, Corporals D. W. Bowett, D. Watkins; to be Corporals, Lance-Corporals J. N. Brookes, P. Sanig, D. Bickerton, J. R. Valentine, J. T. Norris, K. Z. Ord, Cadet D. M. Surry (who is Corporal in charge of Armoury); to be Lance-Corporals, Cadets C. G. Gregory, E. P. Cosslett, A. J. C. Dawson, H. W. Hall, L. T. P. Wood, N. I. Cross, R. W. Crouchley, W. W. Marshall (who is in charge of uniforms and stores).

Field days this term took place at Castle Mill on September 27th and at Rostherne on October 14th. The signals section, under Sergt. Wilkinson, put the newly acquired apparatus to practical use on these occasions. Since then they have developed their technique by assiduous practice, in which they have had the advantage of instruction by an officer and a sergeant from the Royal Corps of Signals.

Latterly we have been fortunate in receiving visits from an Instructional Wing, under the command of Captain Buonaparte, who are temporarily stationed in Manchester. He and his colleagues have lectured to the N.C.O.'s and Senior Cadets on T.E.W.T.'s and Patrols, Bren guns and Map-reading; whilst warrant officers have instructed platoons 3 and 4 on the Bren gun, sentry duties, etc. The course is to be wound up by a general address to the whole Corps on "Battle Action" by Lieut. Spenser, who gained his M.C. in North Africa.

We have received several visits from Old Boys now serving in the Forces, who have very generously given up part of their leave to pass on their instruction and experience. Included amongst these are: Sub-Lieut. D. E. F. Ginever, R.N.V.R., Midshipman (A) C. H. Nesbitt, F.A.A., Lieut. E. G. Hall, Lieut. J. Erskine, Lieut. J. L. Clarke, Officer-Cadet L. D. James, Officer-Cadet B. M. Williams, Marine G. A. Knowles (Royal Marine Commandos).

We cannot conclude these notes without renewing our thanks to Major Palmer for his unfailing interest and help, which has included a general talk to the whole Corps. Nor must we omit to express our regret at the illness of our commanding officer, Captain Anderson, to whom we wish a speedy recovery.

Cricket, 1944.

Four matches were played after those recorded in July; the only School match was won. Fletcher played one very good innings, scoring 74 in 80 minutes, to win a match against time. The result for the season was:—School matches, 2 wins, 1 draw, 3 losses; Club games, 4 wins, 1 draw, 4 losses.

Lacrosse, 1944-45.

The first team has only played two games this term, both against the Manchester Grammar School. The first game on their ground was lost owing to some very feeble attack play. The second game produced a splendid struggle, and although we led most of the first half the Manchester Grammar School won by 9 goals to 7.

The defence is good, although a little crude, with E. P. Cosslett outstanding. N. Fletcher, in goal, played very well in the second match, but all the attacks need more 'crosse handling practice. They are fast and unselfish, but lack an outstanding personality. One really good shot would make the side a good School team.

The team for our second match was: N. Fletcher, D. Bickerton, J. N. Brookes, E. P. Cosslett, I. A. Carter, K. H. Storry, J. T. Norris, D. W. Bowett, P. Sanig, D. Watkins (captain), D. A. Robertson, G. J. Derbyshire.

SECOND TEAM.

Only two matches have been played this term, both against Manchester Grammar School, and on both occasions the team was below full strength owing to calls of the First Football Team.

Neither game was as uneven as the scores might suggest, but our defence has been very strong, and the attack made up in pace and persistence what it lacked in skill.

The following have played: F. A. Stone (captain), G. Jones, J. T. Norris, J. F. Kay, J. S. Robertson, P. W. Howard, D. A. Robertson, P. Harrison, A. F. Crowther, C. F. F. Dunn, A. Wilkinson, B. A.

Maguire, A. J. Standring, P. Sanig, H. W. Hall, A. Salmon.

„ 21.—v. Manchester G.S.	H	W	16-1

UNDER 15.

In the one game played with Manchester Grammar School (won 11-2) the team as a whole showed promise and should develop into a good side next term.

Team: G. B. Appleby, R. P. M. Bond, D. W. Booth, A. A. C. Darroch, J. C. Edwards, H. Gallagher, A. Godson, I. J. Lyons, A. G. Shuttleworth, R. M. Threlfall, E. W. B. Ward (captain), D. R. Wood.

Football, 1944-45.

We began the season with very little outstanding football ability, but the team were well led and showed an excellent spirit, both when attack was easy and defence difficult. The tackling was usually sound, but it was not until the last match that the forwards were on the ball from whistle to whistle. Only on one or two occasions did we manage to heel at all frequently, and even then the ball came out slowly. The halves showed much pluck, but for some reason or other the three-quarters were usually starved.

7th October, v. SALE GRAMMAR SCHOOL. Away. Lost 0-3.

This match gave hopes of a good season, for the pack played with great determination, and they gave our backs a good share of the ball. The tackling was promising, but the play in the loose was rather scrappy, and after forward rushes we often lost the ball by kicking hard.

Team: D. Bickerton, I. A. Carter, D. Watkins, N. Fletcher, J. F. Kay, P. Sanig, N. I. Cross, G. S. Todd, J. N. Brookes, D. K. Partington, D. R. Gibson, W. G. Gibson, E. P. Cosslett, G. Wilkinson, G. A. Anderson.

11th October, v. KING EDWARD VII. SCHOOL, LYTHAM. Away. Won 3-0.

In spite of the wet weather there were some good passing movements among the backs, though the tackling was not up to the standard of the previous match. A feature of the game was the forward rushes, though after gaining ground we often failed to heel the ball, and we were slow in coming back to defend.

Team: Partington had left School and his place was taken by B. A. Maguire.

14th October, *v.* KING'S SCHOOL, MACCLESFIELD.
Away. Lost 3-53.

Playing on a dry ground we soon found ourselves up against a heavy side playing a fast, open game. Tackling was poor and King's scored regularly throughout the match.

Team: D. R. Gibson and Sanig being injured, J. T. Norris and D. W. Bowett took their places, while A. Wilkinson played right wing three-quarter.

18th October, *v.* AUDENSHAW GRAMMAR SCHOOL.
Home. Won 16-6.

We got a fair share of the ball, but our forwards were slow, and there was weakness in tackling.

21st October, *v.* CHEADLE HULME SCHOOL. Home.
Won 9-5.

We did our best to lose this game. Both sides played interesting football though the ground was muddy. Our tackling was better than in the last game.

25th October, *v.* CHEADLE HULME SCHOOL. Away.
Drawn 8-8.

The team had now lost three colours, Partington, Todd and W. G. Gibson. J. R. Hookey, K. Z. Ord and F. A. Stone took their places in this game, while Sanig returned to fly-half. The teams were very well matched, but our three-quarters received a larger share of the ball than in previous matches, and the opposing side had difficulty in stopping our strong forward rushes.

8th November, *v.* MANCHESTER GRAMMAR SCHOOL.
Away. Lost 0-15.

For this match E. P. Cosslett played centre three-quarter, and D. Watkins moved to fly half, and these positions have been retained throughout the season. The ground was again heavy and the opposing forwards considerably heavier than our own. The pack held their own, however, but were not always quick enough in getting back to defend.

11th November, *v.* MANCHESTER GRAMMAR SCHOOL.
Home. Lost 5-11.

The game was played with great keenness. The backs carried out several strong passing movements, and good work by Carter, Derbyshire and Bickerton resulted in a try.

Team: D. Bickerton, I. A. Carter, E. P. Cosslett, N. Fletcher, G. J. Derbyshire, D. Watkins, N. I. Cross, K. Z. Ord, J. N. Brookes, J. T. Norris, F. A. Stone, J. R. Hookey, B. A. Maguire, G. Wilkinson, G. A. Anderson.

18th November, *v.* AUDENSHAW GRAMMAR SCHOOL.
Away. Drawn 12-12.

During this match, despite the bad condition of the ground, the backs played a better game than in any previous match. The forwards gave them more than their share of the ball for the first time this season, and their strong attacks brought us two very good tries.

Team: As we were without I. A. Carter, B. A. Maguire took his place as wing three-quarter, and R. W. Crouchley was brought into the pack.

2nd December, *v.* KING'S SCHOOL, MACCLESFIELD.
Home. Lost 0-14.

Our forwards were good in attack throughout the game, but in the second half we were slower on the ball, especially in defence.

Team: D. Bickerton, I. A. Carter, E. P. Cosslett, N. Fletcher, G. J. Derbyshire, D. Watkins, N. I. Cross, J. T. Norris, J. N. Brookes, K. Z. Ord, D. R. Gibson, J. R. Hookey, B. A. Maguire, G. Wilkinson, G. A. Anderson.

6th December, *v.* MERCHANT TAYLORS' SCHOOL, CROSBY. Home. Won 14-9.

The game was close, and although the ground was very soft, there were some good passing movements. Our forwards went all out and were always on the ball; they took a large share in two of the tries, and though they did very little in the way of heeling, helped greatly in defence. Watkins at fly-half played a good game and started many movements at a good pace. There were some stirring forward rushes.

SECOND FIFTEEN.

This year's team is probably the strongest we have ever had, and has won eight out of the nine matches played. This success has been due to the real keenness of all the side, and this enthusiasm has led to a steady improvement in play.

The forwards are fairly big and fast, and have been well led by Stone, and in his absence, by Morgan. Crouchley has often been prominent in the loose, and his tackling is particularly good. Gregory, who has been the utility man of the side, does excellent work in the second row. The following up in attack has been generally good, but sometimes the forwards have been slow to break across the field in defence.

The backs are fast and dangerous in attack, and their tackling has improved. They have sometimes been rather slow in closing up when the opposing three-quarters have the ball.

The real weakness in the side is in kicking. We have no reliable place kick, and while Betteridge at back usually finds a safe touch, no one is capable of a long and accurate punt.

The Second Fifteen is: F. A. Stone (captain), J. F. Kay, H. Morgan, A. Wilkinson, P. Sanig, D. W. Bowett, R. W. Crouchley, K. H. Storry, C. G. Gregory, H. W. Hall, J. N. McManus, J. P. Chilton, S. G. Betteridge, P. D. E. McClinton, J. S. Robertson.

Away. Lost 3-17.
December 6th, v. MERCHANT TAYLORS' SCHOOL.
Away. Won 14-9.

UNDER FIFTEEN.

Of the eleven matches played this season eight have been won and three lost. The tackling generally has been rather better than usual, but the passing behind the scrum has been erratic, and the backs have rarely been effective. D. R. Wood, at centre, has been untiring in defence, and A. Godson is fast on the wing, but the scoring has been due, in large measure, to the hard work of the forwards in the loose. Led by R. M. Threlfall and G. J. Dunston, they have dribbled and carried out passing movements with determination and skill.

The team has been chosen from: D. R. Wood (captain), R. P. M. Bond, G. Carter, A. A. C. Darroch, H. Dickinson, G. J. Dunston, J. C. Edwards, H. Gallagher, B. T. Gibson, A. Godson, J. W. Handford, I. J. Lyons, F. M. McClinton, J. S. Nesbitt, D. Ogden, G. N. Pearson, R. M. Threlfall, G. B. Todd, P. W. Walker, E. W. B. Ward.

RESULTS.

The Library.

More boys than ever before are now using the Library, and for some study periods there are as many as forty boys present. There are 100 borrowers, and more than 500 books have been taken out from the different sections.

Despite the great difficulty in buying books for the library several have been added this term, and we are especially indebted to the following for their gifts: Mr. W. H. Thomson, Mr. H. Embleton (O.H.), M. Broady, J. W. N. Glover, J. M. Mather, A. G. Smith.

The Hulme Lads' Club.

The Club greatly values the connection with the School, not only for its financial help, without which the Club could not continue, but also because Old Hulmeians form the majority of the officers and committee.

The School collection for the Club is being made as usual this term, and new subscribers among the Old Boys would be welcomed. Subscriptions should be sent either to the Secretary at the Club or to Mr. Williams at the School.

House Games.

This term has shown a marked increase in the interest and keenness taken in House Games.

For the first three or four games days, House Masters and Prefects practised the Seniors and instructed the Juniors in the rules and playing of the game. This resulted in a definite improvement in the standard of play.

A total of 7,011 boys have played games this term, with an average of about 400 boys each day. Byrom has had most attendances, followed in order by Heywood, Gaskell, Dalton, Whitworth and Fraser. Byrom had least crosses and Heywood the most.

House Games have been cancelled twice so that the School could watch the 1st team match. The purpose of this is to enable non-match team people to see the game played and to learn from it. Enthusiasm increased, and at the Cheadle Hulme match nearly 400 boys watched the play. Interest in the team has been stimulated to such an extent that many boys now turn out to watch, when House Games are cancelled due to bad weather, and it was encouraging for the team to see about 100 boys on a wet afternoon watching an away game at Manchester Grammar School.

Fortunately, up to half-term, no games were cancelled due to bad weather. This has enabled

several rounds of the League to be completed, and the positions to date are:—(1) Heywood (90 points); (2) Byrom (76 points); (3) Dalton (51 points); (4) Fraser (50 points); (5) Whitworth (35 points); (6) Gaskell (16 points).

Heywood has maintained a small lead over Byrom, but together, these two Houses have drawn steadily ahead. Heywood Seniors have not yet lost a match. They have a good three-quarter line though they do not tackle sufficiently well, and they do not always get the ball along the line. They are fortunate in having nine backs, all of whom have played on a School team, but the forwards are not very strong. The Juniors, too, are generally reliable and promising.

Byrom, too, has had a good season. The 1st XV. and Junior XV. have won almost every match. Keenness has made up for anything lacking in the standard of play. Although the teams are much better than last year, there is still room for improvement in the kicking and passing.

Dalton Seniors have a fairly heavy pack, but both the forwards and backs lack experience. However, determination has won a good proportion of its matches, but the Junior House has been less successful.

Fraser has been handicapped in that many of their Seniors do not play games, and so it is some-

times difficult to field full teams. Nevertheless, both Seniors and Juniors have played energetically.

Whitworth suffers from lack of skill, but enthusiasm has made up part of the deficiency. The Senior 1st XV. has size and weight and played a hard game in the "Knock-outs," only losing by a narrow margin. The Junior team is keen, but too much of the play is left to one person. The 2nd teams are both small, and so far have been unfortunate in their games.

Gaskell's strength this year is in the Junior team. But even this has scored few points when players have been called for the Under 15 School team. The Senior House team has suffered from the loss of most of its best players. Lack of weight has been the main drawback.

The close rivalry in the league, together with the new points system for the Shield, has resulted in even greater competition in the "Knock-outs."

The results of the Senior "Knock-outs" are:—1st round, Byrom beat Gaskell (14—0), and Dalton beat Whitworth (5—3). 2nd round, Byrom beat Fraser (11—6) and Heywood beat Dalton (8—5). Junior "Knock-outs":—1st round, Gaskell beat Byrom (6—3), and Whitworth beat Dalton (9—6). 2nd round, Gaskell beat Fraser (9—0), and Heywood beat Whitworth (3—0).
