In Manchester University N. S. Taggart has passed Part III. of the First M.B. and Ch.B., and S. K. Appleton Parts I. and II. of the same examination.

R. W. Briggs has passed the Special War Examination of the Royal Institute of British Architects.

L. J. Worrall has passed the Preliminary of the Institute of Chartered Accountants.

We regret to learn that the Rev. J. R. P. Sclater, D.D., has resigned through ill-health his charge as Minister at the New North

Church, Edinburgh, which he has held since 1907. Old Hulmeians of the earliest generations will remember him well. He was President of the Union Debating Society when at Cambridge, and has long been one of the ablest preachers in the Presbyterian body, and a distinguished figure in the public life of Edinburgh. During the War he served as chaplain both on the Western front and after the armistice in the Army of Occupation in Germany. Last year he went on a preaching tour in Canada. We wish him a speedy restoration to health.

First Team Football Caps have been awarded to A. G. Campbell, M. W. Smith and N. R. Broadbent; Second Team Caps to T. B. Allman, R. Barnes, N. A. Barber, D. W. Dickson, A. Allman and N. A. Alston. First Team Lacrosse Caps have been awarded to N. A. Alston, N. R. Broadbent and P. A. T. Clarke.

The average attendance at half-holiday games on the School field has been 116 for the last term. The highest number was 179, and the lowest 43.

The work of levelling the School field has got on faster this winter and 800 square yards have been completed and sown. 266 boys have taken part and have contributed together 1,173 afternoons of work. This was shared among the houses as follows:—Dalton 226, Heywood 222, Byrom 200, Fraser 196, Whitworth 177, Gaskell 152.

The audited Balance Sheet for the School Allotments of which Mr. Thomson is Hon. Treasurer, shows an income of £12 8s. 8d., which includes £4 18s. for rent of plots, and £7 9s. 6d., balance from last year; the chief items of expenditure are rent, rates and taxes, which account for £4 17s. 8d., leaving a balance of £6 16s. 1½d.

We acknowledge with thanks the receipt of *Ulula*, and the *Macclesfield Grammar School Magazine*.

The Subscription to *The Hulmeian* for Old Hulmeians is 1s. 6d. per annum, to be paid to Mr. Barber at the School.

DEATH.

FOX.—On April 14th, at a nursing home, after operation, Captain Charles H. Fox (late 2/6th Battalion Manchester Regiment), aged 35 years, third son of Mr. and Mrs. Charles H. Fox, of 30 Demesne Road, Whalley Range, Manchester.

Captain Charles H. Fox.

We record with deep regret the death on April 14th, after an operation, of Charles H. Fox, well known as goalkeeper to the Old Hulmeians Lacrosse Team. He came to the School in September, 1899, and left at the end of 1903. Joining the Old Hulmeians Lacrosse Club, he came on to the First team from the "A" in the season of 1906-7, and was regarded as a very good discovery. Since then he had played regularly for the Club, and besides assisting them to secure the Senior Flags on three occasions, he was a member of the team which won the Championship of the First Division in two successive years (1912-14). His last game was played on March 24th, when the Old Hulmeians met Stockport in the Final for the Flags, and his brilliant defence had a large share in their victory. Many of us saw and will remember his play that afternoon, as well as the simple, manly words he spoke to the School a few days later when the Flags were hung in the Assembly Hall.

He joined the army at the outbreak of the war, and like both his brothers rose to the rank of Captain in the 6th Manchesters, afterwards doing valuable staff work for the 66th Division.

He leaves many friends and his early death will be widely regretted. Loyal to his School and Club, as he was to his country when the call came, Charlie Fox was one of whom we may well be proud.

The Hulme Lads' Club Collection.

This year's collection on behalf of the Procter Gymnasium and Hulme Lads' Club amounted to £179 6s. 5d. This is £8 1s. 8d. more than last year, and again constitutes a record for the School. The success of the collection is the more noteworthy in view of the increased scarcity of money. Perhaps next year with improved trade and greater prosperity, to which we are all looking forward, we may hope to reach £200. We cannot too earnestly impress upon our readers that the Club urgently needs all the help we can give it. It was never in a more efficient state than now under the attentive and devoted care of our old friend, Mr. H. Hough (O.H.); but the strictest economy is needed to make ends meet, and apart from the contributions of the members, the School collection is by far the largest source of income.

The largest individual collection, £13 1s. 10d., was made by IV.A., closely followed by II.B. with £13 0s. 8d. The highest average, which is the truer method of comparison, was reached by Remove A. with 10s. 5d. per head.

The amounts collected by the various Forms, with the average per head, were as follows:—

To this were added contributions of £11 1s. 10d. (£2 19s. 8d. more than last year and the largest amount yet collected) from the Preparatory and £3 7s. 6d. from the Staff, making a total of £179 6s. 5d.

Natural History Society.

On December 15th, the Society held the usual *Conversazione*, which was well attended. Members of the Wireless Society were also invited. Mr. Kelsey gave a most interesting lecture on Switzerland, illustrated by many beautiful slides. After the lecture an excellent tea was fully appreciated by the whole company. We then retired to the Hall where we enjoyed pianoforte solos by C. H. O. Ferry, songs by Mr. Williams, Mr. Burn and A. K. Westbrook; recitations by F. Gardner, whom we were very pleased to see again, and E. L. Wilkes; ventriloquism by Mr. S. J. Forrest, our old friend, who kept us in good humour for quite a long time. Meanwhile, D. N. Beggs, our wireless enthusiast, was busy in Room 9 preparing the wireless set for a short demonstration, which wound up the evening's programme. We also wish to express our thanks to all those who so kindly sent us cakes, jellies, etc., for our tea.

Field meetings will be arranged during this term.

The Entertainments.

New features in the past season were Latin plays, a debate and a boxing competition. Three plays were given at Christmas, of which two performances were given at the School and one at the Rossall Mission, Newton Heath. The chief musical and orchestral effort of the season was Purcell's "Dido and Æneas," on the evening of Shrove Tuesday, in which over 80 performers took part on the stage and in the orchestra. The new costumes for this opera, which were most effective, were designed and cut by Mr. and Mrs. Kelsey, with the assistance of the ladies of the Preparatory Department, and the stencilling was done under Mr. Brierley's direction. These additions to our wardrobe will lessen the expense of hiring costumes, while other items

of capital expenditure during the winter were for the provision of electrical fittings.

Mr. Brierley has continued his series of arresting posters for each entertainment and has made up the performers. Mr. Bentley has been stage manager, and Mr. Davies has directed the lighting. Mr. Adams has been in charge of the lantern at the lectures.

The accounts for the entertainments are made out separately for the afternoon and evening performances, and we give an abstract of them below:—

Afternoons (Christmas term): Receipts, £26 18s. 2½d. (season tickets, £6 17s.; taken at door, £20 1s. 2½d.). Expenses, £18 3s. 4½d. (fees, £7 17s. 6d.; capital expenditure, costumes, curtain, etc., £2 13s. 4d.; other expenses, £7 12s. 6½d.). In hand, £8 14s. 10d.

Afternoons (Lent term): Receipts, £8 1s. 2d. Expenses, £13 13s. 6d. (electric fittings, £4; other expenses, £9 13s. 6d.). Loss on term, £5 12s. 4d.

Evening performances, December 19th and 20th: Receipts, £32 0s. 3d. (tickets sold, £29; programmes, £3 0s. 3d.). Expenses, £10 5s. (fees, £4 4s.; hire of costumes, £1; printing, £5 1s.) Profit, £21 15s. 3d.

Evening performance, February 13th: Receipts, £28 10s. 7d. (tickets sold, £26 4s. 6d.; programmes, £2 6s. 1d.). Expenses, £16 17s. 1d. (fees, £1 11s.; printing, £4 7s.; hire of costumes, £2 10s.; purchase of costumes and properties, £6 2s. 9d.; other expenses, £2 6s. 4d.). Profit, £11 13s. 6d.

Evening Concert, March 27th: Receipts, £6 6s. Expenses, £5 3s. 9½d. (printing, £3 5s.). Profit, £1 2s. 2½d.

There is thus a net profit of £37 13s. 5½d. on the season's entertainments, which with the surplus from the previous year makes a total of £39 4s. 7½d., available for the enlargement of the platform.

The programmes of the entertainments given since our last number were as follows:—

"Admiral Peters," a comedy by W. W. Jacobs and Horace Mills, was produced by Mr. Brierley. The scene, representing a sea-

side garden, painted by Mr. Brierley, was much admired. Mr. Davies was the Naval Pensioner, whose suit for the hand of Mrs. Dutton, a widow (played by Miss Evans), was seriously threatened by the visit of an old messmate (Mr. Brierley).

The Orchestra played selections during the intervals under the conductorship of Mr. Kelsey, and the whole programme was performed on the evening of December 18th at the Rossall Mission, Newton Heath.

PLAY.—February 27th. "Hyacinth Halvey," by Lady Gregory. Presented by Remove A and produced by Mr. Powell. Eastwood, while C. D. Campbell and J. C. Beggs spoke for the motion. Other speakers were D. Griffiths, Darley, Drummond, Sherratt, Mr. Perraton and Mr. Kendall. The sympathies of the large meeting were evidently against the motion and when the Chairman (Mr. Dennis) put it to the vote it was lost by 116 to 33.

Old Hulmeians Association.

The Annual Dinner was held at the Grand Hotel on Saturday, February 10th. There were 50 members present. "The Association" was proposed by Mr. T. Fisher and replied to by Mr. S. W. Saxelby, who took the chair, in the unavoidable absence of the President, Mr. B. Muth. The toast of "The School" was proposed by Professor Douglas

Knoop and responded to by the Headmaster. After singing "Forty Years On" we were entertained by friends of Mr. T. T. Forbes, to whom our best thanks are due.

An appeal is made to Old Boys who have not yet joined the Association to do so by communicating with the Hon. Gen. Sec., A. L. Powell, at 7 Totnes Road, Chorlton-cum-Hardy, or at the School. Boys who are leaving the School should do the same.

Old Hulmeians Football.

The Football Section has just terminated perhaps the most successful season of its career. The first team secured 26 points from the same number of games, whilst the second obtained 18, which are both great improvements on last year's records.

The two best performances of the first were to defeat Whalley Range and Old Boltonians on our ground, and the second did well against most of the leading teams of their division of the League. The final results are as follows:—

	Played	Won	Lost	Drn.	Goals		Pts.
					For	Agst.	
1st XI.	26	11	11	4	51	58	26
2nd XI.	26	5	13	8	39	62	18

Next season it is hoped to run a third team regularly, provided, of course, that we have sufficient members, and the Secretary will be glad to have the names of all boys leaving School who wish to join the Football Section.

The first team has usually been as follows: Banton, A. L.; Greenup, G., Ashworth, F.; Holmes, F. E., Sutton, B., Walker, A. A.; Ackroyd, C. B., Jones, J. A. W., Lowther, R.; Thom, A. L., Thornley, P. The second has been chosen from Foddy, L., Walshaw, F.; Mather, R., Bateman, J., Banks, S. R.; Thom, W. G., Whittingham, S., Glover, E.; Gibb, J. L., Murphy, C. W., Marson, A.; Marson, A., Gibson G., and Johnson, C. B.

Next season we hope to improve on this year's records, and if the same keenness is shewn by the playing members generally, we shall have no difficulty in doing so. The match results are given below.

Old Hulmeians Lacrosse.

The Lacrosse Section finishes the season in a much more satisfactory position than at one time seemed probable. The North of England Lacrosse Flags again adorn the School walls, accompanied for the first time by the Junior Challenge Shield.

The improvement which has made possible these successes is due in no small measure to the development of team work resulting from players turning out regularly and playing together week after week.

Since Christmas the First Team has lost only two league games, one to South Manchester, when the team as a whole had an off day, and the other to Stockport, when a big effort was made to spoil the league leaders' unbeaten record. Against these losses may be set a victory on the Boardman Ground, the first in the history of the Club.

It has, however, been in the flag matches that the team has been seen at its best, as the record of 54 goals against 16 in the four rounds of the competition testifies.

The attack has been well led by Barber, whose untiring energy has been an example to the team; he has himself obtained a good bag of goals, but his beautifully placed passes have been responsible for many more. The same may be said of Buckland, and the influence of these two "veterans" has had much to do with the splendid progress made by Pearson and Payne, the new-comers to the attack. Howard, at centre, has been responsible for some brilliant play in midfield, and well deserves the county honour which now falls to him. On a sound defence Woollam has been conspicuous for his clever intercepting and forceful play, but chief credit must undoubtedly be given to Fox, who, always safe and generally brilliant, has repeatedly retrieved hopeless positions.

The "A" team has played twenty league matches, of which eleven have been won, two drawn and seven lost. In the Lancashire Junior Cup Competition Oldham and Werneth 1st were defeated in the second round, but the team succumbed to Albert Park "A," the ultimate winners of the trophy. There is plenty of good material in the team, but too frequent changes have prevented complete understanding between the players.

The "B" team has had a most successful season, having lost only three matches out of twenty-four played. They have always been strong candidates for the "B" Team Shield, having reached the final in each of the last two seasons; this time they made no mistake and are particularly to be congratulated on the victories over their old rivals, Heaton Mersey and Stockport, in the semi-final and final respectively. The team owes its success to the keenness and enthusiasm of all its members for which the captain, Brewerton, is largely responsible.

Cadet Corps.

We are steadily increasing our numbers and should equal, if not exceed, last year's total before the end of July.

More interest has been taken in the parades this term and consequently cadets are more forward in the work of the Unit. We hope to enrol a few more recruits before Whitsuntide so that we shall not fall below last year's record camp.

All the arrangements are now made for our annual sojourn at Grange-over-Sands, and we expect to travel on Wednesday, May 16th, returning on Tuesday, May 29th. We are to have the usual equipment, etc., from Ordnance on the payment of a small deposit and a guarantee that its value will be covered by insurance.

Shooting has been attended this term by a select few only, but some good cards have been put in. Lance-Corporal T. B. Allman wins the qualified Cadet's Spoon and Cadet H. E. Elderton wins the Spoon offered to the recruits.

The following promotions have been made this term, to date from March 28th:—

From Lance-Corporal to Corporal—A. G. Campbell and T. B. Allman.

From Cadet to Lance-Corporal—P. A. T. Clarke.

J. A. BARBER, *Cadet Captain*
Officer Commanding.

NOTES.

Since writing the notes last term the First Eleven has been re-arranged and there has been a big improvement. Beginning with the Macclesfield match at home the whole team has played better and on occasion their play has been excellent. On the other hand there have been lapses when one could scarcely recognise them as the same eleven.

Smith, M. W., and Campbell, A. G., at back have been a source of great strength, and Broadbent has always been difficult to beat. Williamson, W., at centre half, controls the ball well and has fed his forwards with discrimination. Classen and Allman, T. B., on the wings, have worked hard, but on muddy grounds have been uncertain.

The forwards have played clever football, but the shooting has not been as good as the mid-field play. Doubleday at outside right has usually done the work of two men, but some of his centres have gone to the opposing goalkeeper instead of to our inside men. Barnes, on the other wing, has done some very good work since he came into the 1st XI. at Christmas. The brothers Horner have always worked hard.

Fowler has not had quite the same scope at inside left as at centre half, but he has made all the difference to the forward line. As captain he has shown great keenness and may be congratulated on a successful season.

The 2nd XI. can look back upon the past football season with satisfaction. Just after Christmas we had to play many of our hardest matches away from home on grounds that were in extremely bad condition, and as the heavy going did not suit some of our boys, the team was less successful. Except for this lapse, however, the boys have played well. The defence has been very steady, and as the goal record shows, the forwards have been prolific scorers.

The Under 14 Team, after a fair start, collapsed badly in the second half of the season. Illness and other misfortunes played havoc with the Eleven, which was not the same for two consecutive matches. Under the circumstances, they never settled down.

FOOTBALL LEAGUE.

The final points for the House League are as follows:—Dalton 120, Whitworth 119, Byrom 86, Fraser 83, Gaskell 72, Heywood 60.

FIRST TEAM REPORTS.

v. MACCLESFIELD GRAMMAR SCHOOL.—January 20th. Away. Lost 1-3. We kicked off against a strong wind, and for some time they bombarded our goal but our defence was excellent, with Campbell and Smith tackling and kicking very well. At half time it looked as if we ought to win easily, but in the second half, with the wind behind them, our forwards were very feeble in front of goal in spite of the fact that they had most of the game.

Team: Broadbent, Campbell, A. G., Smith, M. W., Classen, Williamson, Allman, T. B., Doubleday, Horner, L. W., Fowler, Furmston, Barnes, R.

v. BOLTON SCHOOL.—January 24th. Away. Won 5-4. The ground was very heavy and we adapted ourselves to the conditions better than our opponents. The whole forward line was much improved and their short passing game was very successful. Fowler scored four times as a result of combined movements. A quarter of an hour from time, with the score at 5-1, they strengthened their forward line from the defence. Our forwards fell back, with the result that when our defence cleared the ball their half-backs got it every time and returned it. It should always be remembered that a good live attack relieves the defence considerably.

v. ST. BEDE'S COLLEGE.—January 31st. Home. Lost 0-3. The game was fast throughout and in the first half fairly even.

Our mid-field play was quite equal to that of our opponents but we were inferior in front of goal. Our forwards missed several chances, some of which had been made by excellent play. At one time it looked as if we might at least have made a draw of it, but towards the end they added two more goals.

v. HULME GRAMMAR SCHOOL, OLDHAM.—February 7th. Away. Won 7-3. The ground was in a shocking state and did not improve with the heavy rain that fell during the game. During the first half we had the advantage of a strong wind that abated somewhat after we changed round. Barnes and the brothers Horner were the outstanding players on our side.

v. MANCHESTER GRAMMAR SCHOOL.—February 10th. Home. Drawn, 0-0. The ground was very heavy after the continuous rainfall of the previous week, and both sides found it difficult to keep their feet. Notwithstanding this the quality of the play was good and we held our own. Both goals had some narrow escapes, but the final whistle went without any score, though Horner, L. W., very nearly got through just on time. Campbell, A. G., Smith and Broadbent distinguished themselves, while of our opponents Richardson was a tower of strength.

v. BURY GRAMMAR SCHOOL.—March 7th. Home. Lost, 0-3. With an improved side we were looking forward to bettering the draw of the previous game with Bury, but possibly owing to a somewhat lengthy absence from the football field, our play was very half-hearted, and we never seemed to make any serious attempt to win, while Bury played a strenuous game throughout and deserved their victory.

v. WARRINGTON GRAMMAR SCHOOL.—March 14th. Away. Drawn, 1-1. The weather was very mild and the ground in excellent condition, so that it was not surprising to find the ball travelling very quickly from one end to the other. Our forwards played clever football up to twenty yards from goal,

when the vigorous onslaught of their backs was too much for them. Their defence played a very sound game and kicked strongly.

Team: Broadbent; Dickson, Smith, M. W.; Allman, T. B., Fowler, Williamson; Doubleday, Ferry, Horner, C. E., Furmston, Barnes.

v. STAND GRAMMAR SCHOOL.—March 21st. Home. Won, 5-1. Owing to the re-arranged Lacrosse match with Woodhouse Grove we had a sadly depleted team. Spencer, at outside right, played a useful game, and scored our first goal, while Furmston scored two very good goals. The quality of the play generally left much to be desired, as might be expected from a more or less scratch eleven.

NOTES.

A steady improvement has been made all through the season and the team is now quite up to the best standard of school lacrosse. The defence has still much to learn, particularly in the art of body checking, but there has been a very noticeable improvement in their 'crosse handling. P. A. T. Clarke has made a good point. T. B. Allman, Ferry and Oddy have all played some good games and A. G. Campbell since he came on to the team has improved considerably. Next season he ought to be an outstanding defence man. N. Broadbent has been an untiring and skilful centre. Fowler, Barber, Doubleday, Forrest and Alston have all done their share towards making the team one of the best that has represented the School.

The results are much better than last year but it was very disappointing after drawing with Stockport "B" in the second round of the Juniors' Challenge Shield to lose the replay. However, we have to congratulate the Old Boys' "B" in winning the final—against Stockport "B."

We are pleased to record the renewal this term of fixtures with Woodhouse Grove School. The first game was played on their ground and resulted in a loss, but we won the return match. Both games were excellent exhibitions and future games will be eagerly looked forward to. The Head Master very kindly granted the whole School time off to watch the match on our ground, as the original match had to be cancelled owing to snow.

Two County matches were arranged, but owing to various reasons it was impossible to play them before the end of term. The Yorkshire match was played on April 7th, on the Woodhouse Grove School ground, when we were represented by Barber, Fowler, Alston, Clarke, Broadbent, Campbell and Jarvis. The Cheshire match, for schoolboys under 16 years of age, was played on April 14th on our ground, and the following represented the School:—Jarvis, Ferry, Dale, Forrest, Doubleday and Westbrook. Yorkshire won 18-7, and Lancashire beat Cheshire by 7-4.

The second team, under the captaincy of R. L. Eastwood, has had some good games and supplied the first team with capable reserves, particularly in the second match against the Manchester Grammar School this term. Eastwood, Barnes, Spencer and Buckley ought to train on into very good players.

We have to congratulate the under 14 team on completing their fixtures without losing a match for the second consecutive season. There are now plenty of 'crosse players ready to train on for the first team.

Much of the success of the season is due to the untiring efforts both on and off the field of our captain.

The First team has been represented by N. A. Barber (Capt.), G. Fowler (Vice-Capt.), N. A. Alston, N. Broadbent, P. A. T. Clarke, C. H. O. Ferry, J. C. Jarvis, T. B. Allman, G. V. Oddy, A. G. Campbell, P. M. Smith, M. C. Forrest, E. H. Doubleday.

The Second team has been chosen from R. L. Eastwood, E. Barnes, P. M. Dale, F. E. Buckley, G. A. Spencer, A. K. Westbrook, K. Rains, F. W. Almond, H. E. Elderton, E. C. Kendall, J. Nolan, L. W. Horner, H. Bradshaw. J. A. B.

FIRST TEAM REPORTS.

v. CHEADLE HULME "B."—December 16th. (3rd Qualifying Round, Juniors' Challenge Shield.) Home. Won, 8-1. To strengthen our side Mr. Brockbank played in place of Furmston, and gave us very valuable assistance. We were not long before we opened the scoring and maintained a superiority through the first half, the score at half-time being 5-0. Our opponents scored soon after the restart from a long shot in the mist. However, we held the upper hand for the rest of the game and won fairly comfortably.

v. WAREHOUSEMEN AND CLERKS' SCHOOL.—January 27th. Home. Won, 13-5. Our opponents scored immediately from the face, but we were not long in equalising. For the remainder of the half we held the upper hand, and at half-time were leading 9-5. In the second half the game lost interest a little, although our opponents never tired in trying to reduce our lead. Forrest played an improved game at first home, although the rest of the team got a little disorganised at times.

v. STOCKPORT "B."—February 3rd. (Second Round Juniors' Challenge Shield.) Home. Drawn, 7-7. The game opened at a sharp pace and we scored immediately from the start. Soon after we scored again, but Stockport managed to reduce our lead. At half-time we were ahead by 6-4. The second half went more in our opponents' favour, and they took the lead at 7-6. We managed to equalise, however, before the finish. The game

was fast and vigorous throughout, and despite one or two slips our team worked fairly well.

v. MANCHESTER GRAMMAR SCHOOL.—February 14th. Home. Won, 11-1. We were without P. M. Smith, and his position was filled by A. G. Campbell with much success. Our opponents were weaker than previously and were a man short, a substitute being provided. We were superior in the first half and led at half-time by 4 goals to nothing. In the second half our attacks improved on the firmer ground and scored 7 goals to our opponents' one. Doubleday showed improved handling and worked hard on the attack. Mr. F. W. Harker kindly refereed.

v. ROCHDALE "B."—February 17th. Away. Won, 10-3. Playing the same team as in the previous match we were not long before we opened the scoring and at half-time led by four goals to one. In the second half we did rather better and scored six goals to their two, our defence playing a fairly steady game. The standard of play was somewhat low owing to the bad state of the ground.

v. STOCKPORT "B."—February 24th. (Replay, 2nd Round Juniors' Challenge Shield.) Away. Lost, 1-12. Our team was the same as before with the exception that A. G. Campbell's place was filled by Mr. Williams, who lent us valuable assistance on the defence. Our opponents gave us little latitude and our attack was unable to score, although they had hard luck on several occasions. During the first half our defence worked hard but were outplayed in the latter stages. Jarvis played a good game in goal while Doubleday scored our only goal.

v. MANCHESTER GRAMMAR SCHOOL.—February 28th. Away. Won, 5-4. We had Ferry, Broadbent, Campbell and Clarke off and to take their places, L. W. Horner, Spencer, Buckley and E. Barnes were brought on to the team. We had a hard game throughout, and the mud hindered accurate play. Fowler at centre, and Jarvis at point played well, while Doubleday on the attack worked hard.

v. BIRCH "B."—March 17th. Home. Won, 11-5. Barnes in goal played instead of Jarvis. Playing with the wind in the first half we had most of the game and at half-time led by 5-3. In the second half we played a little better. Our passing and shooting was not quite up to our usual standard.

v. WOODHOUSE GROVE SCHOOL.—March 21st. Away. Lost, 6-10. We were without Jarvis whose position was filled by Barnes. During the first half the game was played at a great pace, the score at the interval being 2-4 against us. After the restart we rallied and brought the score to five all, but we were unable to keep it up and after a good game our opponents won by 10 goals to 6.

v. WOODHOUSE GROVE SCHOOL.—March 27th. Home. Won, 13-8. Our team was as before, but our opponents were short of their star attack. We opened strongly and maintained a good lead throughout the first half. In the second half we did not play quite as well but managed to avenge ourselves by winning 13-8. Alston scored some good goals, and Forrest played a useful game.
