

Year 11

Overview	<p>By June of Year 11 students will complete their 2-year GCSE course. They will prepare for and sit four exams: Listening, Speaking, Reading and Writing. Each examination is worth 25% of the final grade. Students begin the year with the holiday topic which is a familiar topic from KS3. They will then move onto school, employment, environmental and social issues topics which are relatively unfamiliar. Students finish the year by revisiting all topics via in-class and intervention revision sessions. Remaining time is structured to ensure that all language is revisited and that the skills required to master a minimum of three time frames are covered. The ability to express opinions and justifications confidently are completely embedded; as well as revising the numerous complex structures necessary to attain the top grades at GCSE.</p>
-----------------	--
